## Email/Facebook message to potential new members

Dear #####,

Welcome to Dad-hood! It's one of the most amazing and most challenging journeys you'll ever undertake, and Dads Group ##### is your ticket to achieving Dad Awesomeness!

We're a bunch of new Dads in ##### who bring our kids along to meet up with other Dads and kids. We kick the football, throw a Frisbee, play a bit of beach cricket, have a BBQ or even just meet at our local café for a coffee and a chat.

If you think this sounds like you, join our Face Book community ##### or email me at ##### and just turn up to one of our events! It's that easy!

Cheers,

#####.
