

Email introduction to local Rotary (or other regional group)

Setting up BBQ with local Rotary Group

Dear #####,

Dad's Group Inc is a not-for-profit community organisation committed to connecting new Dads, thereby improving men's health, preventing family violence and reducing isolation and suicide. We partner with sponsors, councils and community leaders such as Rotary, to support individual Dads Groups based in different suburbs, through events that allow new fathers to meet.

I am writing to you to introduce our newest Dads Group Leader, ##, who will be heading up Dads Group ## servicing your area, and who I have cc'd in on this email. We would really appreciate your support of this important and necessary community group.

Across the country, Rotary Clubs are successfully supporting Dads Groups by hosting monthly BBQs, and it is our hope that you can be involved. Please find attached documents that will assist you in hosting such an event, including an annual roster for Rotarians and purchasing check lists.

Australian Rotary Clubs provide valuable service to others through practical methods and we would be grateful for your support of the important work carried out by Dads Groups Inc.

Please be in contact if you have any queries and we look forward to your partnership in bettering our community.

Kind regards,

Tom Docking.
